

INTRODUCING VOLVO'S NEW TIME MACHINE

From October 1st 2011 new EU Legislation comes into force which will significantly affect the way your driver hours are calculated. The new rules will now allow driver hours to be calculated down to the nearest minute, rather than the current rounding up, saving you up to 15 minutes per day!

SAVE UP TO 15 MINUTES PER DAY WITH THE NEW ROUNDING DOWN TECHNOLOGY...KEEPING YOU ON THE ROAD FOR LONGER

IMPROVED TACHO MAINTENANCE AND DIAGNOSTICS TO SPEED UP ROUTINE SERVICING

SIMPLIFIED VOSA COMPLIANT DRIVER DATA FOR QUICKER DOWNLOAD

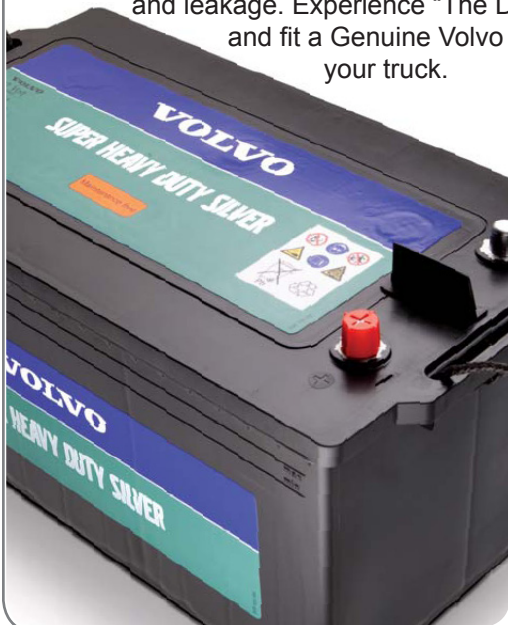

CLEARER DISPLAY WITH CLEARER PICTOGRAMS AND SYMBOLS

HAND IN YOUR OLD TACHO FOR A NEW ONE WITH VOLVO'S EXCHANGE SCHEME

TO BOOK YOUR TIME MACHINE INSTALLATION CONTACT YOUR LOCAL MC TRUCK AND BUS DEALER TODAY.

BATTERIES

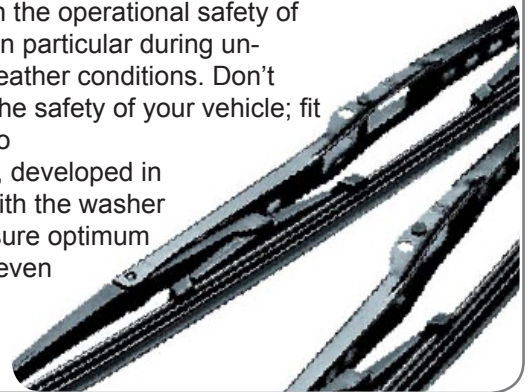

Statistics tell us that 11% of call outs made are due to a flat battery. Volvo develops batteries to meet high capacity requirements, with extra power for starting, designed to reduce maintenance, vibration resistance and leakage. Experience "The Difference", and fit a Genuine Volvo Battery in your truck.

WIPER BLADES

The condition of your windscreen plays a major role in the operational safety of your vehicle, in particular during unpredictable weather conditions. Don't compromise the safety of your vehicle; fit Genuine Volvo Wiper Blades, developed in conjunction with the washer system to ensure optimum performance even in extreme weather conditions.

MIRRORS

Mirrors play a vital role in the safety and protection of your vehicle, Genuine Volvo Mirrors are manufactured with quality materials to improve visibility plus ergonomically fitted to ensure driver comfort.

EXCHANGE ALTERNATORS

No matter what conditions you throw at them, these components have been there and seen it all before. Developed with endurance in mind, Genuine Volvo Alternators offer high reliability and performance, with minimum downtime in the workshop.

AIR DRYER UNITS

Genuine Volvo Air Dryer Units regulates and warms the air. It's integral to the smooth and efficient operation of your brakes and when fitted in a Volvo workshop we will double the warranty to 2 years. That's "The Difference" worth taking note of.

TAIL LAMPS

Your local Volvo Truck and Bus dealer offers a wide range of truck & trailer lights to keep you seen by other road users. With our network of regional depots, we can offer a one stop shop and Genuine Volvo Parts that are easy to fit and readily available.

SWITCHES

Genuine Volvo Switches are quality designed and manufactured by Volvo for easy installation

by Volvo Trained Technicians. When fitted in a Volvo workshop you guarantee your trucks uptime with a Volvo extended warranty.

EXCHANGE STARTER MOTORS

As a key component your starter motor must offer 100% reliability, in particular during those early morning start-ups. Genuine Starter Motors are robust, offering maximum performance in the most extreme conditions. In combination with Volvo's heavy duty batteries, you will get a sure start every time.

HEADLIGHTS & INDICATORS

Headlight damage is an everyday problem, so Volvo has developed a number of alternatives to repair or replace damaged lights. Your local Volvo Dealer can offer both low cost and quick fix solutions to keep your truck in top condition.
